

# Just Leave Everything To Me

Barbra Streisand

Call on Dolly!  
If your neighbour needs a new romance  
Just name that kind of man your sister wants  
And she'll snatch them up  
Don't forget to bring your maiden aunts and  
She'll match 'em up  
Call on

Missus Dolly!

She's the one the spinsters recommend  
She even find a lovely bride

Call on Dolly!

I have always been a woman who arranges things  
For the pleasure--and the profit--it derives  
I have always been a woman who arranges things  
Like furniture and daffodils and lives

If you want your sister courted, brother wed, or cheese imported:  
Just leave everything to me  
If you want your roof inspected, eyebrows tweezed, or bills collected:  
Just leave everything to me  
If you want your daughter dated, or some marriage consummated  
For a rather modest fee  
If you want a husband spotted, boyfriend traced, or chicken potted:  
I'll arrange for making all arrangements  
Just leave everything to me

If you want your ego bolstered, muscles toned, or chair upholstered:  
Just leave everything to me  
Charming social introductions, expert mandolin instructions:  
Just leave everything to me  
If you want your culture rounded, French improved, or torso pounded:  
With a ten-year guarantee  
If you want a birth recorded, collies bred, or kittens ported:  
I'll proceed to plan the whole procedure  
Just leave everything to me

Where to, Dolly?  
Yonkers, New York, to handle a highly personal matter for Mr. Horace Vanderg  
elder, the well-known, unmarried, half-a-millionaire  
Gonna marry him yourself, Dolly?  
Why, Mr. Sullivan? Whatever put such a preposterous idea into my head--your  
head!)

If you want a law abolished, jury swayed, or toenails polished:  
Just leave everything to me  
If you want your liver tested, glasses made, cash invested:  
Just leave everything to me  
If you want your children coddled, corsets pulled, or furs remodeled  
Or some nice, fresh fricassee  
If you want your bustle shifted, wedding planned, or bosom lifted--  
Don't be ashamed girls  
Life is full of secrets, and I keep 'em!

I'll discretely use my own discretion  
I'll arrange for making all arrangements  
I'll proceed to plan the whole procedure  
Just leave everything to me!
