

# No Matter What Happens

Barbra Streisand

Look at how she looks at me,  
I can never look at her that way...  
Full of all the feelings and the soft  
Unspoken words that lovers say...  
In all the words, in all the books  
I wish there were a way to say that  
What she's taught me  
Isn't written anywhere  
And I'm supposed to be the one  
Who's wise...  
One thing is certain,  
I can never be what she  
Expects of me...

I've wanted the shadows,  
I don't anymore.  
No matter what happens,  
I won't anymore  
I've run from the sunlight-  
Afraid it saw too much.  
The moon had the one light  
I bathed in-  
I walked in.  
I held in my feelings  
And closed every door.  
No matter what happen.  
I can't anymore.  
There's someone who must hear  
The words I've never spoken.  
Tonight if he were here  
My silence would be broken.  
I need him to touch me-  
To know the love that's in my heart-  
The same heart that tells me  
To see myself-  
To free myself-  
To be myself at last!  
For too many mornings  
The curtains were drawn.  
It's time they were opened  
To welcome the dawn.  
A voice deep inside  
Is getting stronger,  
I can't keep it quiet any longer.  
No matter what happens,  
It can't be the same anymore...  
I promise it won't be the same  
Anymore!
