

Secret O' Life

Barbra Streisand

The secret of life is enjoying the passage of time
Any fool can do it, there ain't nothin' to it!
Nobody knows how we got to the top of the hill
But since we're on our way down
We might as well enjoy the ride

The secret of love is in opening up your heart
Ooh, open up your heart!
It's okay to feel afraid
But don't let it stand in your way, no longer
'Cause anyone knows that love is the only road
And since we're only here for a while
Might as well show some style

Give us a smile now
Isn't it a lovely ride?
Lovely ride
Sliding down, and just gliding down
Try not to try too hard
It's just a lovely ride

Now the thing about time is that time isn't really real
Time isn't really real, no
It's just your point of view
Tell me
How does it feel for you?
How does it feel for you?
Einstein said he could never understand it all
Planets are spinning through space
The smile upon your face
Welcome to the human race

Some kind of lovely ride
Some kind of lovely ride
Go sliding down, I'll be gliding down
Try not to try too hard
It's just a lovely ride
Isn't it a lovely ride?
It's just a lovely ride
Sliding down, gliding down
Try not to try too hard
It's just a lovely ride

The secret of life is enjoying the passage of time
The passage of time
