

## Boy Toy

STRFKR

Boy toy, sure needs to sing cause it's hard to make out  
Runnin' away  
And since there's no love, just love for the game  
Carry oh-eeh-oh-eeh-oh-eeh-oh-eeh-oh

No sense, slippin' away  
(can't tell)  
I want you to stay  
In my arms, in my head, in my eyes, in my heart, in my lungs, i  
n my lungs, in my lungs, in my lungs

Boy toy, goin' on a hit  
And the man in the sea's got a million-K  
And since there's no love, just love for the game  
Carry oh-eeh-oh-eeh-oh-eeh-oh-eeh-oh

No sense, hidin' away  
When you're allready gone  
I want you to stay  
In my arms, in my head, in my eyes, in my heart, in my lungs, i  
n my lungs, in my lungs, in my lungs
