Feelings
Run and hide away
From each other
Feelings
Rather run away
From another

Feelings
Run and hide away
From each other
Feelings
Rather run away
From another

Never could decide
Seen it all my life
You will say goodbye
Rather run and hide

Feelings
Run and hide away
From each other
Feelings
Rather run away
From another

Feelings
Run and hide away
From each other
Feelings
Rather run away
From another

Never could decide
Seen it all my life
You will say goodbye
Rather run and hide
