STRFKR

Why?
I don't know why
Why I should I try
Wastin' my time

Why?
Why should I lie?
Hidin' away
Night after night

You wait forever, love
Your time has come and gone
You've dragged yourself along
All the way

Why won't you say it?
Say what you've always felt was missin'
Why can't you see it?
Nothin' to go on, but
You're older, just
Be honest with yourself
