STRFKR

Is it all in your mind?  
All in your mind?  
All that you know  
[?] on another world  
Another reality

Is it all in your mind?  
All in your mind?

[?] around every other one  
Every reality  
Nothing at all

Is it all in your mind?  
All in your mind?  
I wanna know  
[?] on another world  
Another reality  
[?] at all

Is it all in your mind?  
All in your mind?  
All that I know  
All of my memories fade away
