

All along it was alright
(Only wanted to please you)
All along it was alright
(Only wanted to please you)
I don't know if it's alright
(Only wanted to please you)
I don't know if it's alright
(Only wanted to please you)
I only wanted to please you
(Only wanted to please you)
Only wanted to please you
(Only wanted to please you)
I only wanted to please you
(Only wanted to please you)
All along it was alright
(Only wanted to please you)

Only wanted to please you
Only wanted to please you
Only wanted to please you
Only wanted to please you
