

# Running Around

STRFKR

Running around  
Wasting my time  
Made it out so low  
Oh yeah  
Oh no  
I'm running around  
Chasing 'em down  
Better off solo  
Always  
Alone  
Ahhh

I don't know why  
Give it some time  
Night after night  
You will be fine  
I don't know why  
Give it some time  
I don't know why

Running around  
Wasting your time  
Made it out so low  
Oh yeah  
Oh no  
Running around  
Chasing 'em down  
Better off solo  
Always  
Alone  
Ahhh

I don't know why  
Give it some time  
Night after night  
You will be fine  
I don't know why  
Give it some time  
I don't know why

Running around  
Wasting my time  
Running around  
Wasting my time  
Running around
