

Something Ain't Right

STRFKR

In a way
I'm the only one
The lonely one
I lay myself before you
Flame the fire in your eyes

In a way
It's the only way
There's no escape
You lay yourself before me
Where there's nowhere to run or hide

Give me a sign
Give me something to hold on
I am your play thing, baby

I'll be your friend
I'll be there when you need it
I am a lap dog baby

I am a child now
I am a child now

Was it something you needed
Or something you wanted?
And covered your eyes

Was it something you asked for
Or put in a casket?
When something ain't right
Just know that something ain't right
I know that something ain't right

In a way
I'm the only one
The lonely one
I lay myself before you
Flame the fire in your eyes

In a way
It's the only way
There's no escape
You lay yourself before me
Where there's nowhere to run or hide

Give me a sign
Give me something to hold on
I am your play thing, baby

I'll be your friend
I'll be there when you need it
I am a lap dog baby

I am a child now
I am a child now

Was it something you needed

Or something you wanted?
And covered your eyes

Was it something you asked for
Or put in a casket?
When something ain't right
Just know that something ain't right
I know that something ain't right
