

## Shadow's End

**Strife**

the shadow is taking over by acceptance...the shadow is taking  
over.  
the movement pulled below. strifled crises are thrown aside but  
i am  
searching for hope once more stagnations end- rebirth, insurgen  
ce...  
confide in fear, looked inside here, alone but never lost. solt  
ude  
is mine. the answers to the question that kill this will. that  
boil in  
our blood... the fete is never sealed
