

## We Amplify

## Strike Anywhere

We're amplified, adrenaline,  
another flag's shadow cover us again  
And on these steps, take back our days  
So when we go go out in a blaze...  
WE GO GO OUT IN A BLAZE!  
Cause we all are...HUMAN POLUTION!  
Hey hey hey hey hey hey...HUMAN POLUTION!  
Hey hey hey hey hey hey...HUMAN POLUTION!
