

## Former Glory

Striker

Don't want to think about it  
'Cause that was yesterday  
Tomorrow brings more opportunity  
I know I did it before  
But this time it's real  
Yesterday has never seemed so far away

Do what it takes  
To leave the past behind  
Do what it takes  
To put it all on the line

It's the return to my former glory  
Yeah I'm back again

Feeling down and out  
But that's the price I pay  
All I needed was a light to lead the way  
And now I'm back on top  
It's like I never left  
It feels so good to be back on track again

Do what it takes  
To leave the past behind  
Do what it takes  
To put it all on the line

It's the return to my former glory  
Yeah I'm back again
