

Calafuego

Stroke 9

Keep it calafuego, keep it calafuego
Keep it calafuego, keep it calafuego
You keep it calafuego, keep it calafuego
Keep it calafuego, keep it calafuego

You know calafuego style's what you want it to be
It makes you move around, makes you fall out your seat
It makes you come alive and get up on your feet
Makes you hold your breath and feel like you're eighteen
Yeah, the calafuego sign takes you where you wanna go
Takes you to a beach down in Mexico
Makes you tell it like it is, hope it never ends
It makes you wanna roll one on the front porch with your friends

It makes me feel like you
It makes you feel like me
Keep it calafuego
And check the possibility, come on

Yeah, the calafuego style, well it is what it is
It's like [?] it's like diving off a bridge
Coming up from underwater, hanging with your daughter
Finding all your people in a jam-packed party
Calafuego sound is all that you need
When you ready to go, when there's people to feed
You'll be driving down the road, you'll push the gasoline
Turn the volume up so loud you gotta scream

It makes me feel like you
It makes you feel like me (yeah)

They keep it calafuego down in San Diego
Way up north [?] out there in Chicago
The line-ups in Cabo, the heat of São Paulo
A cold night in Oslo, keep it calafuego

Keep it calafuego, keep it calafuego
Keep it calafuego, keep it calafuego
You keep it calafuego, keep it calafuego
Keep it calafuego, keep it calafuego

(Keep it calafuego)

It makes me feel like you (makes me feel like you)
It makes you feel like me (makes you feel like me)
Keep it calafuego
And check the possibility
