

## Carey-Anne

Stroke 9

Let's walk on the beach alone  
Carey-Anne  
I wanna write your name with my finger in the sand  
People might call us fools in love but I don't care  
Do you Carey-Anne

Foggy winter day and I say  
Carey-Anne  
What we gonna do today  
Let's run down the boulevard and sing and laugh and try to get  
a tan  
OHHHHHHH Carey-Anne

Hold my hand  
Carey-Anne  
Hold my hand  
Carey-Anne, Carey-Anne, Carey-Anne

Let's sleep on a cloud tonight  
Carey-Anne  
Do what we wanna do, I'll show you  
Yes, I'll show you who I am  
Never let me go, No, never let me hit the land  
Carey-Anne

Hold my hand  
Carey-Anne  
Hold my hand  
Carey-Anne  
Hold my hand  
Carey-Anne, Carey-Anne, Carey-Anne
