

# Coming Home

Struggle Jennings

Months with no phone calls  
Hope you ain't forgot  
The sacrifices I've made  
I gave you all that I got

Mistakes that I'll own  
I'll pay in due time  
As long as you'll stay  
I swear I'll walk the line

These steel bars and thick walls that keep me away  
But they can't keep me from loving you  
Baby I'm coming home

Your picture's on the wall  
That's painted in pain  
From all of the lonely men  
Who got lost along the way  
I left you out there standing in the rain  
I know I'm to blame  
Baby when the lines shines through  
I'll come dry the tears away

These steel bars and thick walls that keep me away  
But they can't keep me from loving you  
Baby I'm coming home

Yeah there's things that I've done  
And you pay the price  
I'm locked away from everything  
Time ain't on our side  
As the hand turns  
I'll turn it all around  
Baby I'm coming home  
  
Baby I'm coming home
