

# Keep It Going

Struggle Jennings

God has a mighty work in motion  
Like the eagle spreads its wings in flight  
Every day the sun speaks of devotion  
Don't you know He's got a great plan inside

Can't you feel it in the air  
God is movin' everywhere  
Cast the mountains to the sea  
We proclaim the victory  
Throughout eternity

A lonely man in that big crowd  
I was dyin' for this moment, time to live now  
I've been counted up, now I'm countin' blessings  
[?] lessons, pushed, I kept wrestlin'  
Fuelled by the faith of ancestors  
Seed of the righteous, got weapons in possession  
Professin' my victory, all things is possible  
Streets had a plan for me, God-called and audible  
Bullets missed organs by inches, it's phenomenal  
Naw, when you're movin' with a purpose you're unstoppable  
Enemies irrelevant, the past is the past, stay ahead of it  
My testament is evidence, my worst days were heaven sent

As the end of time draws near  
See the signs in the sky  
We can let go of our fears  
Knowin' God is by our side

Come and taste love's sweetest honey  
[?] is fine and pure  
And there's no point to steal the rose's beauty  
And no need for a cure

Can't you feel it in the air  
God is movin' everywhere  
Cast the mountains to the sea  
We proclaim the victory  
Throughout eternity

So just keep the revival goin'  
For the best is yet to come  
There's a better place we'll be goin'  
When the battle here is won  
When the battle here is won
