

## Not Hard To Find

Struggle Jennings

It's been three years and counting  
There ain't no way around it  
I'm not the man that I used to be  
They say that time heals the broken  
And I'm surely hoping  
That I leave this world in one piece

Lord knows I've suffered  
But I keep you on my lonely mind  
I can't help but wonder  
If I'll see you again at the end of the line  
I hope you're not hard to find

My life's been forgotten  
Still I can't forgive 'em  
Can't seem to get this pain off my chest  
I've wrestled with anger  
Put my loved ones in danger  
I've questioned my faith asking why

Lord knows I've suffered  
But I keep you on my lonely mind  
I can't help but wonder  
If I'll see you again at the end of the line  
I hope you're not hard to find

And Lord knows I loved ya  
And love never dies  
I still ain't no good at goodbyes  
I hope that you see me  
And all I've defeated  
Hear your name I'm gonna fight one more time

Lord knows I've suffered  
But I keep you on my lonely mind  
I can't help but wonder  
If I'll see you again at the end of the line  
I hope you're not hard to find

Lord knows I've suffered  
But I keep you on my lonely mind  
I can't help but wonder  
If I'll see you again at the end of the line  
I hope you're not hard to find
