Strung Out

Oh god I can't your in it again when you struggled so hard to b
e free your a slave to your vice man your wasting your life oh
god man why can't you see you were doing so good and I really t
hought you could [?] well I guess I was wrong yeah wrong all al
ong your a loser there is no doubt I gotta give up now, I guess
you'll never see the way things are to me your stuck in your r
ut[?] with the way you will always be and there will come a tim
e when you lose your piece of mind when you take a look to see
when you take a look inside yourself and see you are the enemy
