

# This I Pray

Stryper

Now I lay me down to sleep  
I pray the Lord my soul to keep  
And if I die before I wake  
I pray the Lord my soul to take

Forgive me, Lord, for I have sinned  
Have mercy on the shape I'm in  
And if I've fallen from Your grace  
Help me, Lord, to find my place

I'm in a storm with no way out  
The waters rough I'm tossed about  
I know that there's blue sky above  
It's in Your mercy and Your love

I swear I won't go down  
Without a fight  
The darkest night  
Will always lead to light  
Take my hand  
And help me find my way  
I don't wanna die  
Just give me one more day  
This I pray

I crossed a bridge and lost my way  
For years and years I've gone astray  
And if I live another day  
I pray the Lord to guide my way

I need a savior here and now  
I know I'm sinking yet somehow  
I'm reaching for some final peace  
Before my time begins to cease

I swear I won't go down  
Without a fight  
The darkest night  
Will always lead to light  
Take my hand  
And help me find my way  
I don't wanna die  
Just give me one more day  
This I pray

Now I lay me down to sleep  
I pray the Lord my soul to keep  
And if I die before I wake  
I pray the Lord my soul to take
