

# Hallucinating

Stu Larsen

That man over there  
He is trying to kill me  
He lives on the corner there  
Knows everything I'm doing  
Knocked upon my door one day  
And he brought me biscuits  
Told me I'm a funny guy  
That's when I knew he's FBI

Before I lose my head  
I hear my mother say  
"Make him go away, you just have to say"

I'm hallucinating  
I'm hallucinating  
I'm hallucinating  
The day away  
Oh, life's a funny game  
But I'm okay

There was a surfboard  
And it pierced her skin  
And it snapped her head back  
But there was still one thing

Before her eyes went black  
A woman in a dress  
Held her to her chest  
And she slowly said

You're hallucinating  
You're hallucinating  
You're hallucinating  
The day away  
Oh, life's a funny game  
And we all play

"What if I'm like you?" I heard her saying  
She has never been the brightest one  
She said "Dad, I think we're not alright in the head"  
I told her I didn't know what she was saying

Took her into my arms  
And brought her to the farm  
And all the other animals were saying

We're just hallucinating (Hallucinating)  
We're just hallucinating (Hallucinating)  
We're just hallucinating (Hallucinating)  
The day away  
Oh, life's a funny game  
And we all play

We're hallucinating  
We're hallucinating  
We're hallucinating  
We're hallucinating

We're hallucinating  
We're hallucinating

We're hallucinating  
We're hallucinating  
We're hallucinating  
The day away  
Oh, life's a funny game  
And we all play

Will you hallucinate  
A little longer  
With me?
