

## Bring It In

Styles P

We gon light up some sour to this one Fortes, zone the f\*ck out  
ya know? Shit real...

No matter the weather it's always cold

If you wanted to be there, you should've rode, now whoevers a r  
at should'n't of told, but you hop off the porch and put a foot  
in the Rolls, it's members only, in the members only, brown le  
ather jacket like I'm Jon Voit, but I would never rat on a conv  
oy, I'ma die a gangster and I'ma bring my moms joy, inhale agai  
n when the headspin, Ghost float, I probably spoken to dead men  
, I played Redman then seen red men, laying on the ground after  
niggas done let the lead spin, the toasters in the safe you pu  
t the bread in, fact, it's always a rat that let the feds in, t  
hat's why I always light weed with my brethren, if you got smok  
e well go head bring the meds in

If you got it bring it in  
f\*ck them bottles if it's finished then roll again  
Come with models, tell the models to roll with friends  
That's the motto, only smokers can bring it in

If you got it bring it in  
f\*ck them bottles if it's finished then roll again  
Come with models, tell the models to roll with friends  
That's the motto, only smokers can bring it in

Here's why I'm willing to bounce, the devil don't just knock at  
my door cause he lives in my house, my bars spoke to me, not t  
he bars that I write I'm talking about the bars that the doctor  
wrote for me, only a few people left got hope for me, and I go  
t this new diesel that ya'll gotta smoke for me, they call me 4  
0 they don't ask me for a gram, we some mothaf\*ckin wolves, ya'  
ll are sacrificial lambs, you fraternize with people that you g  
ot nothing in common with, I'm just a hustler with a temper I j  
ust wanna flip, I'm at Juices For Life, my whip is double parke  
d, motto is love is love, I need to sip a cup of bark, dip my j  
oint in hash oil, put some keef on it, rather give somebody mon  
ey than give em some free chronic, got a verse on the track and  
I made the beat on it, pound like a pillow but I never sleep o  
n it

If you got it bring it in  
f\*ck them bottles if it's finished then roll again  
Come with models, tell the models to roll with friends  
That's the motto, only smokers can bring it in

If you got it bring it in  
f\*ck them bottles if it's finished then roll again  
Come with models, tell the models to roll with friends

That's the motto, only smokers can bring it in

It's always profit to gain, they say water cleanse the soul but I couldn't wash up the pain, think about the niggas that got the Glock at their brains or the homies in the cells that got locked in the chains, or the fiends in the hood you know they're popping their veins, and the pretty little girls that's only f\*cking for change, he a boy but he dress like a girl, this shit is strange, on a level do God and the Devil have this arranged?

Am I insane or sane light a plane stay fly stay high and maintain, if you in the struggle you probably doing the same, but never sell your soul that shit ruins the game, thought of money and fame when I use to ride on the train, then I got my money and niggas ride in a range, walking on the air how Jordan glide in the lane, yeah the sun don't shine my niggas ride in the rain

If you got it bring it in

f\*ck them bottles if it's finished then roll again

Come with models, tell the models to roll with friends

That's the motto, only smokers can bring it in

If you got it bring it in

f\*ck them bottles if it's finished then roll again

Come with models, tell the models to roll with friends

That's the motto, only smokers can bring it in
