

Mind Power

Styles P

Had a medical feel
What is Bill Gates degree in the medical field
Said depopulate it then set it for real, yeah
Do you see what I'm seeing?
Trump and Fauci on the news disagreeing
Nobody in a mask nobody is fleeing
Know that Fauci work with Gates
And that Fauci work with Aids
If you get the vaccine know Fauci is getting paid
But these niggas is still sleep no doctors on Youtube
No freedom of speech
Can't go outside, there's no freedom of streets
Ain't got a job it ain't a freedom to eat
World go around like a DVD
I don't give a fuck about the CDC
Taking black seed oil playing BDP
I'm a road runner road run chi-ali
I am VIP, need V.I.P
That's very important plants
I'm a very important man
With a very important stance
Boost ya immune
I'm the goon that's in tune
If go to jail my niggas send a balloon
I ain't getting a chip
Unless its a tune for the whip
With the new tune up just to skip... ghost!

You know, we are dealing with
A very critical and crucial time
Most critical and crucial time that
I've ever witnessed
Being as young as I am, you know
We all don't want to say nothing else
So we say "As young as we are"

Big brother is too slick
BOP the new bloods, CNN the new crips
Put the people in the MUD
Whats the best for the people
Let the people be the judge
Why the news got beef?
Better yet why the news got sheep?
One percent wolves but they not like me
They don't care about health or the black like me
They don't know white boys that are opps like me
There are not well rounded
Too many PJ's they are not well grounded
Many foundations that was not well founded
Yeah, its bigger than racism
White on white now, who could dictate with em?
100 joints rolled
I go to the face with em
This ain't the dance but I'm ready to break with em... ghost!

You can't eat
Get hip to yourself, good God, my brother

You get it from the street
If you don't work
You can't eat
Sist!... You don't work, Lord
You can't eat
So you've got to have mind power
To deal with Starvation
And that's what we're dealing with
