

## Next Event

Styles P

Let's go Dayzel

See you niggas at the next event you know, ayy (Dayzel)

Got a turkey bag wit' no turkey in it

It's cluckin' in the spot, then you know we workin' in it

Somebody cross us then they gettin' murdered in it

Twenty somethin' in the game, tryna get further in it

Two somethin' on the dash, then you know I'm swervin' in it

Brought the poison to the game, yeah, I put the Durban in it

I got that SA blood, who the esse's love

'Cause the ghost get the package there, the next day plug (Next day)

Fast like a panther, quick runs to Tampa (Quick runs)

Feelin' like Walt White did, in the camper

Could kill you on the desert or the beach, nigga (Either one)

Or I could kill you on the streets 'cause I'm a street nigga (Mm)

I told Street, "Scoop me up in the Jeep, nigga" (Scoop)

This is [?] gang and you know we got the heat, nigga, yeah

See you niggas at the next event (I'll see you)

Cool niggas that get extra bent, my word, nigga

See you niggas at the next event

Me and money, we are best of friends

See you niggas at the next event

Me and reefer, we are next of kin (Right, right)

See you niggas at the next event

Me and my niggas, we get extra bent

See you niggas at the next event

Like somewhere you look extra tense (Extra tense)

This is big gas, nigga, this is high octane

Started off a dirty nigga, had to do the block thing

This is my spot thing, this is how I got things

Niggas runnin' up, then you know they gettin' popped thing

Now we do the drop to the yacht, lightin' pop thing

We was out for brunch, yeah, I was out for lunch

But I came back for dinner, wasn't [?] wit' a hunch

So the hustle gettin' double and them numbers gettin' crunched

Now the whips is outside, shit's is lookin' like punch (You see)

You know what the gang say, we do what the street say

Rhyme or the reef, nigga, I do what the flame say

Sorta like the legion, nigga, I do it the [?] way

Run up in your region, nigga, take this shit the same day

Livin' like a heathen, nigga, you can see the flames spray (You can see the flames)

Yeah, see you niggas at the next event (I'll see you)

Me and reefer, we are best of friends, I am ghost, nigga

See you niggas at the next event

Me and money, we are best of friends

See you niggas at the next event

Me and reefer, we are next of kin (Right, right)

See you niggas at the next event

Me and my niggas, we get extra bent

See you niggas at the next event

Like somewhere you look extra tense (Extra tense)
