Illuminate

Sub Focus

```
It's the energy
That we make
Electricity
We create
When you're near to me
I'm awake
You're the light in me
Illuminate

You're the light in me
Illuminate

It's the energy
That we make
Electricity
We create
When you're near to me
I'm awake
You're the light in me
Illuminate

(Illuminate)
It's the energy
That we make
Electricity
We create
When you're near to me
I'm awake
You're the light in me
Illuminate

You're the light in me
Illuminate

You're the light in me
