Sub Focus

You know all my secrets
You know all my pain
Can I see you again?
Can I be with you again?

I've been falling to pieces
Listen to me say
I wanna see you again
Can I be with you again?

I'll be worshiping you
But it's been too dark to see
While I've been down on my knees
And you've been worshiping me
I'll be worshiping you
But it's been too dark to see
While I've been down on my knees
And you've been worshiping me

Oh Lord
Oh Lord
Oh Lord
Oh Lord

You know all my secrets
You know all my pain
Can I see you again?
Can I be with you again?

I've been falling to pieces
Listen to me say
I wanna see you again
Can I be with you again?

I'll be worshiping you
But it's been too dark to see
While I've been down on my knees
And you've been worshiping me
I'll be worshiping you
But it's been too dark to see
While I've been down on my knees
And you've been worshiping me

Oh Lord
Oh Lord
Oh Lord
Oh Lord

Oh Lord
Oh Lord, oh Lord, oh Lord, oh Lord, oh Lord
While I've been down on my knees
And you've been worshiping me
Oh Lord
Oh Lord, oh Lord, oh Lord, oh Lord, oh Lord
While I've been down on my knees
And you've been worshiping me
