

Vibration (One More Time)

Sub Focus

I can hear our new vibration
Can you feel it all over the world
We come together in these places
And we dance and we live and we yearn

I can hear our new vibration
Can you feel it all over the world
We come together in these places
And we dance and we live and we yearn

Find your space in the darkest night
(Ay-oh, ay-oh) say it one more time
Find somebody make it come alive
(Ay-oh, ay-oh), one more time

(Ay-oh, ay-oh) say it one more time
(Ay-oh, ay-oh) say it one more time
(Ay-oh, ay-oh) say it one more time
(Ay-oh, ay-oh), one more time
