

## Water & Fire

### Sub Focus

Let's go back to the start  
When it was only us  
Two lovers in a dance, water and fire  
When you call my name  
I feel changed  
I was waiting for your love to take me higher

You take me higher  
You take me higher  
You take me higher  
You take me higher

I was waiting for your love to take me higher  
I was waiting for your love to take me higher
