I've been waiting all my life
I've been waiting for you to call me
Seasons are passing
Have i wasted my time?
Forty-eight hours have sustained
Fifteen minutes of real pain
How i survived this, i don't have a clue
I've been grasping to you
I will not come again
Say what you will coz i know what you're feeling
I will not come again
Do what you want coz i know why you're bleeding
I will not come again
Please don't take long coz the weight is impeding
I will not come again
I'm feeling alone and you're all that i'm needing
I've been waiting all my life
I've been waiting for you to call me
It's time for decisions so what will you do?
Will you still have to choose?
You may be too good for someone to hold
You're surely an angel that never grows old
Why am i calm when it's eating me up
Am i falling asleep?
