

## 89 Vision

Sublime

Is it because we got the 89 vision?  
Whoa, no  
And is it because it's a unanimous decision?  
Whoa, no

You got yanked by your girl  
Boy, you know it hurts  
Now she's mine  
Oh, no, nine nine

Oh, you should see what your young daughter do  
She pulls upon her peaks like a Fu Man Chu  
She licks upon my anus like a Louie dog  
She licks upon my anus like a dirty hog

She sucks upon my butt hole  
Like a motherfuckin' cripe puff puff puff  
Lookin' at me like I wasn't right but  
But, but she loves to suck ass  
Your girlfriend oh she loves to suck ass

Oh, in 89 vision  
God knows  
And is it because it's a unanimous decision?  
Who know?

Spirit of lord god up high, yeah  
Tell me why? Tellin' me why, why not?

And after all that she loves to suck some cock  
She love to suck cock, she loves to suck on the cock  
She suck so much cock she almost fell off  
She sucked a whole

A little after that she smoked some more cock  
A little after that she smoked a little crack  
She smoke so much crack that she loves to suck cock, cock  
Cock, cock, cock, cock, cock, cock, cock, cock, cock, cock

Have you ever? Have you ever?  
Have you ever seen a little porno queen?  
Whoa, Ron Jeremy, yeah  
Ron, Ron, Ron, Ron, Ron, Ron

Reggae music hits tracks  
Simply one voice, one voice  
Oh, rebel or not you make a decision  
Make a decision, I've done my part

My ding ding it gets so red hey  
When she sucks on my M-head, hey, ya  
My M-head, my M-head, bo
