Swallow

Suburban Tribe

Just give me one more chance to despise myself
Just give me one more excuse to get hurt and abused
Just one more fix to forgive myself
I'll give you one more shot to pretend I care

I've never come through I've been here for too long
I never left 'cause the pressure is far too strong
I'll never get enough of your sweet disgrace
Go on spit it in my face

Swallow
To see how much I can take
I can take
(You can't make me break)
Swallow
To see how much I can take
I can take
(You can't make me break)

Just give me last more chance to ignore myself
Just give me one last excuse to feel sick and misused
Just one last fix to forget myself
I'll give you one more shot to pretend I care

I've never come through I've been here for too long
I never left 'cause the pressure is far too strong
I'll never get enough of your sweet disgrace
Go on spit it in my face

Swallow
To see how much I can take
I can take
(You can't make me break)

To see how much I can take

To see how much I can take
I can take

Swallow
To see how much I can take
I can take
(You can't make me break)

You can't make me
You can't make me
You can't make me
You can't make me break!

Just give me one more chance...

Just give me one more chance!!!
