

# Show Me

SUD

I wear my heart on my sleeve  
Show you who I really am  
Tell the world what, what you really mean  
I want you to do the same

Cuz I know that you got  
That something  
Something that would like to be found  
You don't have to hide your  
Real self  
Cuz with me  
Everything's gonna be  
Fine fine fine

Show me girl  
Show me who you really are  
Show me girl  
Show me who you really are  
Show me girl

Cuz your parents keeps catching on  
But clear your head and you should be fine
