SUD

I don't know anymore  
Should I stay should I go  
I don't care  
As long as you're there  
You're the heart of my soul  
You are mine everyday  
You make me fall  
With every morning you rise  
I wanna say this, I plead  
I need you so much more than before  
Like I never had nobody  
I wanna be on your skin  
By making so much love on this floor  
Like I never had nobody, body, body...

Body...  
Body...  
Yeah

There's a fire that won't die  
I don't lie but I lied and take you home  
I need you sleeping in my bones  
Kiss your lips  
Brushed against

Your shaking thighs  
Make you sigh  
Oh I die  
Just to hear you say fuck me

I wanna say this, I breathe  
I need you so much more than before  
Like I never had nobody  
I wanna be on your skin  
By making so much love on this floor

Like you never had nobody

I wanna say this, I bleed

I need you so much more than before  
Like I never had nobody  
I wanna be on your skin  
By making so much love on this floor  
Like you never had nobody

Oh, oh, oh, o-oh  
Oh, oh, oh, o-oh, ooh  
Yeah

Oh, oh, oh, o-oh  
Oh, oh, oh, o-oh, ooh  
As simple as that  
Wanna be up on your back  
Steady yourself and relax  
And we got a knack for these sexy attacks  
Don't wanna split you in half

So why are you be splitin' your ass  
Yeah, you know you look sexy with that  
But you just wanna make me cum fast  
But this is so much more than you like  
I just want you to love me  
Coz more than a fuck what we do  
When I take you out to dinner with my fam and my homies  
Babe show me  
Your profanities, your smooth and silky tasteful hair and our skin  
My wishful days for me to make you say

Oh, oh, o-oh  
Oh, oh, o-oh  
Oh, oh, o-oh...
