

Homesick (Gorgeous & Arrogant)

Sudan Archives

You think I'm pretty
I think you're gorgeous
I think you're arrogant
You think I'm flawless
I think you're mad at me
You think I am, too
Don't worry, baby
I wanna be like you

Gorgeous and arrogant
Gorgeous and arrogant
Gorgeous and arrogant
Gorgeous and arrogance
Gorgeous and arrogance
I love the smell of it
Gorgeous and arrogance
Roses and piles of shit
Gorgeous and arrogance
Roses and piles of shit
You want the grass green
I want the whole view
You want the grass green
I want the whole view
It's now or never
Why can't I dream, too?
It's now or never
Why can't I dream, too?
Arrogance
Sweet arrogance

He ran along down the 5
Told him pick up some wine
Then he came back, Little Caesars, arugula, and some wine
Now that's my type of guy
Walked up in the house
Sat upon the couch
It's evident
Turned on One Piece
And this often goes, Hand in Hand
Then Initial D
That's his favorite show currently
But when you gon' give me some "D"?
Last week, you was all over me
I haven't been actin' that sweet
I haven't been actin' like me
I know, I know, I know
I know things haven't been the same
The room has made us go insane
Your baby mama actin' strange
And my twin and my friends always in here
But when you gon' give me some "D"?

I just want the D-I-cock
Problems is not what I'm seekin'
I just miss my homie T.K
I just miss my Mama Shay Shay
I just want the D-I-cock

Problems is not what I'm seekin'
I just miss my homie T.K
I just miss my Mama Shay Shay
