

I give you dibs if we ride for a second
I can't keep it, but I'm makin' a promise
You are so sweet when you act white, I love it
I can't get in you ride for a second

Don't let me down
Don't let me down
Don't, Just let me drown
Just let me drown
Give me a bow
Give me a bow

Hey, I can take it, take it that way
I can make your make your mind play
We can do this, like, all day
I love flip it, flip it like this

Don't you take it, take it like that, but
Sometimes it gets a little black
Sometimes it gets a little raw
Sometimes it gets a little hard, baby
What can I take just to make that buck
So that you get paid?
Oh, I know you came to change my life
Just know that I'm my ride or die

Don't let me down
Don't let me down, no
Just let me drown
Don't let me drown, oh
Give me a bow
Give me a bow, oh-oh

Don't get me
Don't get me, ohh
Just let me
Just let me, oh
Give me a
Give me a, oh-oh
