

Anastasia

Sueco The Child

I don't even smoke no more, but girl, you got me higher
Got me over-medicated, I should call you Pfizer
When you in my arms, I'm like a junkie with a lighter
Uh, breathin' fire, I hope I survive, yeah
Call her Anastasia, but she more like anesthesia
When she leave me 102, I'm runnin' a fever
Yeah, she taste like water, but she go down like tequila
Out the freezer, you know that I need you

If I had a thousand lives, I'd give nine hundred ninety nine
To be with you for just one night, tonight, I'd die

I, I, I, I, I, I wanna get high, high, high, high, high, high
All of the time, time, time, time, time, time
All of the time, all of the time (Okay)
I, I, I, I, I, I wanna get high, high, high, high, high, high
All of the time, time, time, time, time, time
All of the time, all of the time

Ye-ye-yeah, she my lil' dealer when I need that super powder
Hit it 'til I'm geekin' like a line right off the counter
Fifty thousand people in the car, but she's so louder
Ye-ye-yeah, she louder when I'm goin' down

And if I had a thousand lives, I'd give nine hundred ninety nine
To be with you for just one night, tonight, I'd die

I, I, I, I, I, I wanna get high, high, high, high, high, high
All of the time, time, time, time, time, time
All of the time, all of the time (Okay)
I, I, I, I, I, I wannaget high, high, high, high, high, high
All of the time, time, time, time, time, time
All of the time, all of the time, time

I, I, I, I, I, I, I, I wanna get high, high, high, high, high, high, high
All of the time, time, time, time, time, time
All of the time, all of the time (Okay)
