

Bad Idea

Sueco The Child

It was bad, bad, bad, bad, bad, bad idea
(It was a bad idea)
It was bad, bad, bad, bad, bad time of need, yeah

I, I, I, I, I know, I know
Instead of chasin' you, I'm out here chasing hoes
Why, why, why, why?
Shit, I don't know
Ain't nothin' good ever happen enough to fold

I, I, I, I'm missin' you
But it's too late to apologize
Someone new, in my room
My heart is hollow

It was bad, bad, bad, bad, bad, bad idea
(It was a bad idea)
It was bad, bad, bad, bad, bad time to of need, yeah (I, I, I, I)
It was bad, bad, bad, bad, bad, bad idea
(It was a bad idea)
It was bad, bad, bad, bad, bad, time to leave, yeah

I, I, I, I, I know, I know
Instead of chasin' you, I'm out here chasing hoes
Why, why, why, why?
Shit, I don't know
I say I'm gonna do it different then I don't

I, I, I, I'm missin' you
But it's too late to apologize
Someone new, in my room
My heart is hollow

Close my eyes, see you again
I wanna see you again
Close my eyes, see you again
I wanna see you again

It was bad, bad, bad, bad, bad, bad idea
(It was a bad idea)
It was bad, bad, bad, bad, bad time of need, yeah (I, I, I, I)
It was bad, bad, bad, bad, bad, bad idea
(It was a bad idea)
It was bad, bad, bad, bad, bad time of need, yeah (I, I, I, I)
Yeah

It was a bad idea, yeah
