

Somebody Else

Sueco The Child

What you do, what you do, what you do to me?
Always fuckin' up my energy
What you do, what you do, what you do to me?
You bring me down to the remedy
When you get me fucked up, it's impossible to come down
Oh, oh, what you do, what you do, what you do to me?

You make me feel somethin' when I don't feel much
You make me feel alive, adrenaline rush
I'm your junkie, suicide love
I'm your junkie, suicide love, suicide love

I don't want somebody else
(But it's killing me to keep you)
Is this heaven? Is it hell?
(So I'm gonna kill when I need you)
I tried to say goodbye
But I don't ever wanna get off this ride
I don't want somebody else
(I don't want somebody else)

Got my camera roll looking like her OnlyFans
Gettin' kinda hard to believe that I'm her only man
She want brand new titties there
That's gonna run me fifty bears
How I'm supposed to save up for this house in a minivan

You make me feel somethin' when I don't feel much
You make me feel alive, adrenaline rush
I'm your junkie, suicide love
I'm your junkie, suicide love, suicide love

I don't want somebody else
(But it's killing me to keep you)
Is this heaven? Is it hell?
(So I'm gonna kill when I need you)
I tried to say goodbye
But I don't ever wanna get off this ride
I don't want somebody else
(I don't want somebody else)

Tears like bullet shells fallin' to the floor
Don't put me out of it, it don't matter what's the source
You wanna be mine, but I can't be yours
So why do I keep coming back for more?

I don't want somebody else
But it's killing me to keep you
Is this heaven? Is it hell?
(So I'm gonna kill when I need you)
I tried to say goodbye
But I don't ever wanna get off this ride
I don't want somebody else
(I don't want somebody else)

I don't want somebody
I don't want somebody

I don't want somebody else
(Suicide love)

I don't want somebody else (I don't want somebody else)
I don't want somebody else (I don't want somebody)
