

## Criminal Ways

Suede

With your criminal ways, well, I feel okay  
With your fingerprints all over me, yeah  
When you're stealing away, I don't care  
What the evidence says

Oh, criminal ways  
It's criminal, oh  
Oh, oh-oh, what you're stealing

With the fear of your blade against my body  
The adrenaline change will make us brave  
There's an intimacy when you're stealing my money  
I wanna feel it again

Oh, criminal ways  
It's criminal, oh, oh, oh-oh  
What you're stealing from me

With your criminal ways  
Criminal ways  
With your criminal ways  
Criminal ways
