

Darkest Days

Suede

Pouring petrol in your bed
Clutching letters to your breast
You're anaesthetized but you learn to rise again

And I'm not too scared to love you
On the darkest days
And I'm not too scared to watch it fail
And I'm not too scared to watch you let it slip away
And put a wire through our daisy chain

Well you wake me when I scream
Kiss the anger out of me
Well we pushed and cried but we tried and tried again
Pouring petrol over her
Strike a match and watch it burn
We're anaesthetized but we learn to rise again

And I'm not too scared to love you
On the darkest days
And I'm not too scared to watch it fail
And I'm not too scared to watch you let it slip away
And put a wire through our daisy chain

Now I'm not too scared to love you
On the darkest days
And I'm not too scared to watch it fail
Now I'm not too scared to watch you let it slip away
And put a wire through our daisy chain
