

Everything Will Flow

Suede

Dmi **C**
Watch the early morning sun
B **F**
drip like blood from the day
Dmi **C**
See the crazy people run,
B **F**
so many games to play
Dmi **C**
see the blue suburban dream
B **F**
under the jet plane sky
Dmi **C**
Sleep away and dream a dream,
B **A**
life is just a lullaby - by

B **C** **F** **Dmi**
Oh, oh, and everything will flow
B **C** **A** **Dmi**
oh, oh, you know everything will flow
B **A**
oh, oh

Watch the day begin again whispering into the night
See the pretty people play hurrying under the light
A million cars a million trains under the jetplane sky
Nothing lost and nothing gained, life is just a lullaby - by

Oh, oh, and everything will flow
oh, oh, you know everything will flow
oh, oh

B **C** **F** **Dmi**
Oh, oh, and everything will flow
B **C** **A** **Dmi**
Oh, oh, you know everything will flow
 B **C** **F** **Dmi**
The neon lights in the night tonight will say "everything will flow"
 B **C** **A** **Dmi**
The stars that shine in the sky tonight know "everything will flow"
 B **C** **F** **Dmi**
The lovers kissed with an openness will say "everything will flow"
B **C** **A** **Dmi**
The cars parked in the hyper market know "everything will flow"
