

# Heroin

**Suede**

Took me on a limb  
You've taken everything  
Everything  
As the clouds come in  
As the rain begins  
Rain begins

Heroin  
Heroin  
I'm out of it

No more songs to sing  
No more love to bring  
Love to bring  
As the rain begins  
Such a silly thing  
Heroin

Heroin  
Heroin  
I'm out of it

Heroin  
Heroin  
I'm out of it
