

Personality Disorder

Suede

(One, two, three, four)

And our lives too will pass and fade like this moment
Our clothes are like an anthem for sorrow
And the words we use are like future ghosts
And our lives too will fall apart like this moment
Gone like the birthday cards on the windowsill
Brief as the pale light on the bedroom walls

Oh-ho
Will (Will)
You (You)
Be (Be)
My (My)
Personality disorder?

Fill (Fill)
Me (Me)
With (With)
Your (Your)
Personality disorder!

And years from now the grass will grow over our lives
But one day soon we will be found
One day we will laugh again through desolate times

Wo-ho
Will (Will)
You (You)
Be (Be)
My (My)
Personality disorder?

Fill (Fill)
Me (Me)
With (With)
Your (Your)
Personality disorder!

Is it wrong to love you? (Is it wrong to love you)
As much as I do? (As much as I do)
Is it wrong to do the things we've done?
You witness our confession (Our confession)
And execution
You walk us to the rope and watch us drop
