

# Perpetual Deception

## Suffocation

Scriptures are falsified  
Leading to delusions  
Mankind shan't be blessed as one of the divine

Ordained upon the throne  
A king of all kings  
Praised as a deity  
Embraced to be invoked through infamy

Delusive embellished treachery  
Spewed forth by this infidelity

Exalting a theory  
Enshrined by martyrs  
Exploiting ignorance  
Abandon hope and faith  
That was emphatically  
Embedded since the Beginning

Never ending  
Mendaciously

Altering predestined fate that's sacrilegious  
Denouncing inheritance of the righteous ones

Deny this mortal progeny  
Alleged begotten son  
Messiah and prophet  
Implementing lunacy  
Perpetual deception  
Preaching it's the will of god  
To accept his holy  
Prophetic deed  
Sick psychotic thoughts  
A defiled mind contemplates  
No repentance  
The existence of this being is blasphemy

Heed these words herein  
Appointed majesty  
Savior for all  
One man can not  
Bear the burden  
Of sin

Perpetual  
Deception

Where's your savior now
