

# I Won't Be Afraid

Sufjan Stevens

I will give it up  
I won't be afraid  
I won't try too hard  
I will touch your back

I'm prepared for death  
I will tear my clothes  
People try too hard  
I won't be afraid of this, does anybody want to?  
I will lift my hands  
I'm prepared for death  
I will tear my clothes  
People try too hard  
I won't be afraid of this, does anybody want to?  
I will lift my hands  
I won't be afraid of this, does anybody want to?

I won't try too hard  
I will touch your back  
I'm prepared for death  
I won't be afraid

I will give it up  
I won't make a mess  
I won't try too hard  
I won't be afraid

I won't be afraid (I won't be afraid) (8x)
