

All that I've known to be of life
And I'm gentle
You ran off with it all
And I'm faithful
All that I've held within my arms
And I'm weightless
You ran off with it all
And I'm speechless
All that I've said to get it right
And I'm confident
You ran off with it all

And I'm steadfast
All that I thought, to be precise
And I'm consequence
You ran off with it all
And I'm sorry

And I'm sorry
All that I've known to be at peace
And I'm desperate
You ran off with it all
And I'm restless
All that I've known to be of love
And I'm gentle
You ran off with it all
And I'm desperate
All that I dreamed
Where do you run, where do you run to?
And I'm evidenced
All that I dreamed
Where do you run, where do you run to?
And I'm faithless
All that I dreamed
Where do you run, where do you run to?
And I messed up
All that I dreamed
Where do you run, where do you run to?
Carry on friends
Where do you run?
