

## Seven Swans

Sufjan Stevens

We didn't sleep too late  
There was a fire in the yard  
All of the tress were in light  
They had no faces to show

I saw a sign in the sky  
Seven swans, seven swans, seven swans  
I heard a voice in my mind  
I will try, I will try, I will try

I will try, I will try, I will try

We saw the dragon move down  
My father burned into coal  
My mother saw it from far  
She took her purse to the bed

I saw a sign in the sky  
Seven horns, seven horns, seven horns  
I heard a voice in my mind  
I am Lord, I am Lord, I am Lord

He said, I am Lord, I am Lord, I am Lord  
He said, I am Lord, I am Lord, I am Lord

He will take you  
If you run, He will chase you  
He will take you  
If you run, He will chase you

'Cause He is the Lord  
'Cause He is the Lord

Seven swans, seven swans, seven swans  
Seven swans, seven swans, seven swans
