Sufjan Stevens

Love, peace, forgiveness
And consequence
And trust, and patience, affection
Determining how long
I hold you in as compensate
Contemplate, rhapsody
Energy in tow
The things to look for

Love and peace, forgiveness
And consequence
And trust, and patience, affection
Determining how long
I hold you in as compensate
Contemplate, rhapsody
Energy in tow
The things to look for

Love, I hold you in as
Fantasy, blasphemy
Fallacy, and probably as fate
These are the names for love
