He said "Maybe For You, But Not For Me"

He gotta girlfriend and he loves her so

But I got a prostitute and I love my hoe

Maybe For You, But Not For Me!?

Hoes get paid but bitches fuck for free

Pomona Town is the city I am from

If you a trick a bitch will play you dumb

Now yo ass smarter than a motherfucker

You got to suck for what you hanker for

Oh, yo, I lay me down to sleep

I'm living for me but not for you, bitch

You better tell your boyfriend what to do

Cuz I'll slap the taste right out ya mouth

Real playas now what I'm talkin bout

West coast to pimp ot not to pimp (haa haa)

I say whats easy for me is confusing to him

Its like, talking astrophysics to an old wine-o to drunk to listen

Now your ass wondering like a motherfucker

We beat the rap like he beat the sucker

Almighty dollar root of all evil

I gots to have it like everyday people

Now, this is what pimpin is supposed to be

He said "Maybe For You, But Not For Me"

He gotta girlfriend and he loves her so

But I got a prostitute and I love my hoe

Maybe For You, But Not For Me!?

Hoes get paid but bitches fuck for free

Pomona Town is the city I am from

If you a trick a bitch will play you dumb

They couldn't teach me the game the game is in me

Not to mention my hustle philosophies

I know a bomb little hoodie fucking for free

I chewed off her ear now she out fucking for me

Stretch marks and bullet wounds but still a hoe

Tattooed on her tits and he dont live at home

The way we crackin for her but not for you

It could be counting for thots shocks and crew

And once you get her you got her, shes locked to you

It's good game and the shit could do a lot for you

The homies asked me how I get them to do what they do

Well, I don't know I just tell them and they follow suit

(It's me, Casino the G is bossy in tone
But got it crackin until the break of dawn
My nigga Vince wreck a microphone
Pomona meets Norwich Milwaukee its on)

(Ey ey queso, ay I heard Suga Free and you are homies)

Not matter what enjoy the life you live
Stay sucka live cuz thats just way it is
See I prefer to pimp the hoe and her
But looking out for the prosecute to occur
Of the public agreed to take her
I know they wishing my hoe would wash me up
So they could they get back and go to lock me up
They blaming in prostitution in Pomona on me
Saying that I'm lacing daughter to the whole meet
Back in west valley detention center
Driving with no licence my wheels suspended
And they moved all the girls to live with Jeff
Now twin towers and no country is straight up mail
And now they bring the food to you
No more Jim Jones in the jail chow hall food
Still making niggas write to west side for nothing
Paid from they get paid by the state for transport
Now it take me forever to get my mail
But you got to catch the train to hell
They caught you, break soon the wall
Squat and cough now I'm shackled up to ya'll
Maybe For Me But Not For Him
I left my life to pimp and pimp and pimp
Over and over and over again

Now, this is what pimpin is supposed to be
He said "Maybe For You, But Not For Me"
He gotta girlfriend and he loves her so
