

Mm-mm, yah

I'm standin' on the WorldStar, just capital P
 Jumped out like TMZ (On yo' ass)
 I put my ring to motherfuckin' capital P
 Lemme cut ya toenail back for ya

Wassup, my cuddie? You go J-Digg
 Man, it's the water, it's the water (Church)
 And I'm the Mac Minister at the alter
 Now I'ma put it on Robin Thicke
 And I don't let my bitch go joggin'
 'Cause she gon' think she runnin' shit
 P-pop, Sick Wid It
 Every time I drink an E-40 I drink a Maxine Water
 And take a D-Shot
 And this is done by choice, not by force
 I didn't wanna burn her
 It was either right or left, I wanted to go straight
 Not the Ike Turner (Yeah)
 Fresh out the Celly Cel, dropped the case, I won
 When I find that bitch that snitch
 She gon' be Brotha Lynch Hung
 And I'ma skirt off in a Mozzy feelin' 3x Krazy
 Take off these baggy khakis
 Put on somethin' fittin' more slim, hit the eighty
 I'm J-Stalin, that was the first time I popped a Eazy-E
 Packed a Lil Pump and a Lil Uzi and I ain't smilin'
 Now I don't wanna get Messy Marv
 I'm tremblin' smokin' this Newport
 They wanted sixty, all I had was 4-Tay, I was Too \$hort
